

## Homework Project

### Busy bees

This half term in Science we are learning about plants and photosynthesis.

Bees are always busy at work and we would like to create a display about bees.

Variety would be amazing!

Due date: Friday 19th  
October

Here are some ideas:

- Draw a picture of a bee and label it
- Make a 3D model of a bee
- Either draw or make flowers that attract bees
- Make a fact file about bees
- Make a fact file about the flowers that attract bees
- Compile interesting mathematical facts about bees

...Or something of your choice related to bees
