

# CODING CLUB

“

Every child born this century should learn to code!

- Bill Gates

ESSENTIAL SKILLS FOR YOUR FUTURE

LIMITED PLACES

We are excited to announce that Innovation Pod will be running its award-winning Coding Club at Downsell Primary School

## YEARS 3 - 6 WEDNESDAY

Children in KS2 will be studying our thrilling Code Combat and Web Development modules.

In Code Combat, pupils will need to type lines of Python to complete a series of exciting programming games. They will solve puzzles and learn the basics of this important coding language, including: syntax, arguments, strings and algorithms. This Introduction to Web Development module uses the free online coding platform Trinket to teach children beginner skills in the two of the main coding languages for web-page creation - HTML and CSS. Children learn how to structure and style webpages with images, lists, links, and animation and in the process, make interactive webpages with art, emojis and flip cards.

Sign up using this link: <https://www.innovationpod.co.uk/signup>

Classes will start straight after school and finish at 4:30pm. Clubs cost £6.60 (inc. VAT) per session. Payment is for the full term via a one-off Direct Debit. This is NOT a recurring payment.

Classes will begin from 13th September - 13th December excluding half term.
