Dear Parents/Carers,

Another fantastic week for our school community. Children have been working very hard in classes, as well as having a good time outside the school. Year 1 enjoyed their trip to the Museum of Childhood, Reception classes visited Leyton Library and children from other year groups represented the school in sport events outside the school.

Next week promises to be another busy week with the pantomime trips to the Theatre Royal Stratford to see Sinbad the Sailor and a pantomime company 'Theatre Bug' coming to perform for Nursery and Reception in the school. We are all looking forward to being entertain and amused.

Mr Chetty

Class Jamaica Learning Assembly

On Monday 28th November, Class Jamaica performed a very special assembly for their parents. During this assembly, children explained to their parents what they have been learning in school and showed some examples of their work. The children also performed a Victorian dance and sang a beautiful song about 'dreams'.

Careers week

In helping our children to learn about the many opportunities that can help develop their future lives, we are organizing a careers week next term, Mon 16th – Fri 20th January 2017. We would like to invite parents and carers to come into school to talk about their jobs. As we would like for our children to learn about a wide variety of careers, we would welcome any type of experience in any field that you could share with us. If you want to be involved in careers week in any way we would like to hear from you. Thank you.

Thank you

On Tuesday 29th November, Year 1 children visited the Childhood Museum in Bethnal Green to look at Victorian toys. It was a very cold day but the children had a wonderful time.

A massive thank you to all the parents who helped us out . THANK YOU!

Afterschool Clubs

Please note **all clubs will end Fri 16th December**. If your child wants to attend clubs in the Spring term, please watch out for a letter with further instructions that we will be sending to you before the end of this term.

Sports news

Well done to the children from Years 5 & 6 who took part in the football competition yesterday, they came third.

Children from Years 3 & 4 enjoyed the netball workshop at Kelmscott School. It is very pleasing to see many children participating in different sports. Thank you to all the parents for your continuous support.

Sport award this week goes to Baran from class Kosovo. Congratulations!

Weekly Attendance

The Best attendance winners for last week are:

- Upper KS2 – Spain – 99 %
- Lower KS2 – UAE – 99%
- KS1– India & Kosovo – 94%
- Early years – Greece - 95%

The most improved classes are:

- South Africa (98%),
