Summer Term 2 - 09.07.2021

Dear Parents/Carers,

It has been another busy week at Downsell Primary School. At the start of the week we had a local authority review which I am pleased to say went very well.

The later half of the week saw us interview teachers ahead of leadership changes in September. Generally, this week has been one full of admin and report writing for our children.

All children have been fantastically well behaved and their manner around the school has been outstanding. I am extremely proud of everyone here at Downsell Primary School. As the weeks draw closer to the summer holidays I hope that our children will have a fun few weeks and begin to relax before their time off.

I hope to see you all soon.
Mr Chetty

COVID-19

ATTENDANCE

As the end of the school year approaches I should remind all parent/carers that education is compulsory even on the last day of term. If you plan to take an early holiday, you will need to inform the school office and fill out a form. Many thanks.

YEAR 6 END OF YEAR TRIPS!

As you will know, the Year 6 children usually attend a camp for a week at Downsell Primary School. However, due to COVID restrictions, this year it wasn't able to happen. The year 6 children have however been having weekly outings to different parks where they have played different games and enjoyed their time away from class.
