

Dear Parents/Carers,

It is very good to see how well children have adjusted to their school routines after all this time spent away from school. We have had a busy week and apart from great learning happening in classrooms, many children have been rehearsing for Downsell's Got Talent 2021. The children's performances are amazing and they all definitely have talent.

I would also like to thank all the parents/carers who took part in our discussion about the new HRSE policy. If you have any further comments or suggestion please let me know, all your views are very welcome.

The weather looks promising today, I hope you all have an amazing weekend.

Mr Chetty

Bread

Attendance

Our school attendance for last week was 97.3% which was great to see, well done to classes **Roald Dahl, Dr Seuss, Jacqueline Wilson, Kenneth Grahame and Sir Arthur Conan Doyle** who all achieved 100% attendance mark for the whole week!

Downsell's Got Talent

It is finally here! We've started recording the final performances for DGTV 2021. The children have clearly been practicing at home, they all look very professional! You are all in for a treat in a couple of weeks. Watch this space!"

Late attendance

A minority of our children are arriving late to school, this can cause a disruption with the learning, and we kindly request parents to encourage their child/children to plan and allow plenty of time to get to school.

Arriving 15 minutes late everyday equals to losing a whole 2 weeks of learning in a year.

Joke of the Week

What did the tree say to the wind?

Leaf me alone!

What your child will learn next week:

Nursery

Story: Over in the Meadow.
Shark in the Park.
Maths: Naming 2D shapes.
