Publication Scheme on Information Available under the Freedom of Information Act 2000

Review Date: May 2024

Publication Scheme on information
Available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Vision and Aims

Vision Statement

At Downsell Primary School our vision is to promote our core values; Respect, Responsibility and Resilience in order to develop confident, inquisitive, happy learners who:

- are inspired to have a lifelong love of learning
- have high self-esteem, high aspirations and experience success
- show good behaviour, positive relationships and make a meaningful contribution to our school, local and global community
- celebrate our diverse environment where all are equal

We will achieve this by creating an inclusive, safe and stimulating environment with high quality creative learning experiences including the use of ICT.

We value the contribution of the whole school community – children, staff, governors, parents and carers in working towards making this vision a reality.

Aims

To ensure every child reaches their full potential both academically and socially.

To ensure all individuals are given equal opportunities to participate in all aspects of school life.

To work as a team to achieve the best possible outcomes for the children.

To offer a broad, personalised, balanced and enriched curriculum which will encourage academic, aesthetic, physical, social, emotional and spiritual development.

To ensure collaboration and respect between all individuals.

To have clear communication across the school.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Website – information published on the school website.

Governors' Documents – information published in the Minutes of Governing Body meetings and in other governing body documents.

Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.

School Policies and other information related to the school - information about policies that relate to the school in general.
