

EYFS Curriculum and Geography

The tables below outline the skills within the EYFS (Early Years Foundation Stage) curriculum that link to Geography within the National Curriculum.

The statements for EYFS, are taken from statutory Early Learning Goals (ELG) the non-statutory Development Matters.

The Early Learning Goals are an important way of assessing and tracking children's progress at the end of EYFS. These goals are what the child is expected to reach by the end of their Reception year, before moving on to Key Stage 1.

The most relevant statements for Geography are taken from the following areas of learning in EYFS:

1. Mathematics
2. Understanding the World

Early Learning Goals

Understanding the World	
People, culture and communities	<ul style="list-style-type: none"> • Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. • Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps.
The Natural World	<ul style="list-style-type: none"> • Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. • Understand some important processes and changes in the natural world around them, including the seasons

Development Matters

Nursery	Mathematics	<ul style="list-style-type: none"> • Understand position through words alone. For example, "The bag is under the table," – with no pointing. • Describe a familiar route. • Discuss routes and locations, using words like 'in front of' and 'behind'
	Understanding the World	<ul style="list-style-type: none"> • Use all their senses in hands-on exploration of natural materials. • Begin to understand the need to respect and care for the natural environment and all living things. • Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.
Reception	Understanding the World	<ul style="list-style-type: none"> • Draw information from a simple map. • Recognise some similarities and differences between life in this country and life in other countries. • Explore the natural world around them. • Recognise some environments that are different to the one in which they live.
