

Dear Parents/Carers,

Seems like the summer is finally here and we are all enjoying the nice weather. Although there are water fountains around the school, can you please ensure that your child/children bring drinks with them to school to keep them hydrated. Also, if needed, please apply sun cream on your child in the morning.

Next week is going to be very busy, with many children taking part in sport activities and school trips. Please watch out for letters to keep informed and I look forward to seeing you around the school.

Mr Chetty

Nursery Stay & Write

On Friday 23rd June our children in Nursery will spend the whole session writing and making marks. Parents/carers are invited to join in to explore a range of mark making activities during the session.

Health and Safety

One of the aluminium panels providing shelter outside the classrooms, above class Jamaica, snapped and fell off. There were no injuries, all the children were in the classroom. However, in view of the fact that we could not identify any reason for this "freak accident", we have requested for a structural report of all the panels in the school. This means that each individual panel will have to be assessed and passed as being structurally sound. The process will take a considerable time to complete. This will have a profound impact at the end of each school day when children are being dismissed.

The following procedure has been put in place whilst these works are going on;

Year 1 and Year 2 children will be collected from the Reception Playground

Year 3 - Year 6 will be collected by the globe gate.

Any inconvenience this may cause is highly regretted. Thank you.

Summer Spectacular

America	Muhammad, Junaid, Cinar, Alisha	Denny, Rosina	
China	Uesli, Sukaina, Olaitan	Jacob	
South Africa	Mohammed	Rene	
Spain			Fawaz

New Pen licence holder this week is Diola in class Kosovo

Year 1 Phonics Screening Check

This week our Year 1 children took their Phonics Screening Check. Since September, our children have been working hard and trying their best in Phonics. They've done an amazing job and with your support at home, our children were very confident when it came to doing the check. We are hoping that we've hit at least 90% this year!

Your child's result will be sent out to you attached to their end of year report.

Once again, thank you for your support. We couldn't have done it without your help and input.

The Year 1 team

100% attendance trip
Tue 11th July

Sports Day
Wed 12th July

End of Year 6 production
Thu 13th July

... and more to come

Ice lollies

During the hot summer days we are selling ice lollies to children during lunchtime and some days after school as well. Lollies cost 10p–40p. If you would like your child to purchase any, please let them bring the correct change in the morning.
