

Dear Parents/Carers,

Children have been working very hard this week completing their assessments. Once the data from the assessments comes in we will be able to see what support children need.

It is the end of Spring term next week and although children have been in school for a few weeks we are happy that they take their school work seriously and are slowly catching up with the education they have missed during the lockdowns. Please stay safe during the Easter break and follow the government guidance.

As you know we are running Easter School for 8 days during the break. The Local Authority will provide funding for children who receive Free School Meals for up to 4 days. Fees are payable for children who do not receive FSM. If you would like your child to attend and haven't returned the form yet, please do so by Tuesday.

Next week you will receive forms for Parents' consultation that will take place on 26th and 27th April. Can you please return the forms before we break up for the Easter holidays. Thank you.

Have a lovely weekend,

Mr Chetty
