Year Group News

Each week we will be celebrating the learning taking place in different year groups.

This week we are celebrating the learning that took place in Young Explorers and Year 6!

Young Explorers

In Young Explorers we have been making an octopus!

We have also been exploring different materials – some soft, some yucky!

Year 6

Well done to Y6 for completing SATs week. We can finally let out a sigh of relief and look forward to more creative activities and our trip to the seaside.

We are confident that all our hard work will pay off and cannot wait to find out our results!

Although the SATs are over, our learning will continue as we prepare the children for secondary school. Alongside our learning, we are planning a range of fun activities for our children, such as our visit this afternoon to Draper's Field. Please ensure that the high levels of good attendance and punctuality is maintained so you are able to enjoy all the activities we will have on offer.

Safeguarding Ambassadors

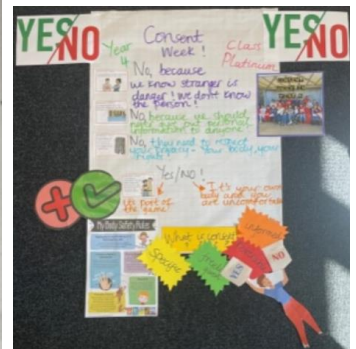

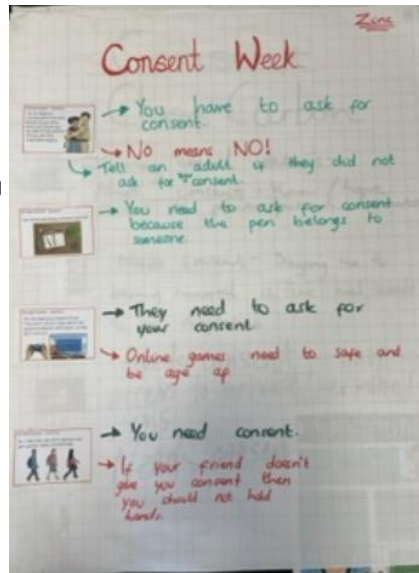

Last week was "Consent Week", here at Downsell. We discussed the meaning of consent being 'asking for / giving permission'. After our assembly to introduce the term, our safeguarding ambassadors worked in their classes to discuss different scenarios and whether consent was needed.

Here are some examples:

Year 1: Your friend wants to use your pen. Year 1 decided that consent was needed for this.

Year 4: You and a friend are playing a game with others. Your friend says you have to hug someone as part of the game but you don't feel comfortable hugging that person. Year 4 decided that consent was needed for this.

Year 6: Your friend wants to post a picture of you online. Year 6 decided that consent was needed for this.

Rocksteady Music School

We are so pleased to have the Rocksteady Music School working with us.

All children got the chance to watch and take part in a Rocksteady Music Assembly over the last two weeks.

If you would like to sign your child up to take part in in-school music lessons, with trained musicians, and be a part of the Rocksteady Music Band, then please sign up on the website: <https://www.rocksteadymusicschool.com>
