Cultural Capital

Cultural capital is the accumulation of knowledge, behaviours and skills that a child can draw upon and which demonstrates their cultural awareness, knowledge and understanding of the world. It is one of the key ingredients a pupil will draw upon to be successful in society and the world of work.

This half term one of our cultural capital opportunities is our Phase Group Trip to central London to see Green Park, Buckingham Palace, St James Park, Downing Street and the London Eye.

Helping at home

Homework is sent out on **Friday** and is due in the following

Wednesday. Please spending at least 10 minutes a day reading with your child. They will take home a levelled book and a book for pleasure.

Do you have any free time during the school week? Are you able to volunteer in our team? For the school?

We are looking for volunteers to help in class, to read with children and accompany on school trips. Please contact the school office if you are interested.
