

Downsell's SEND Pathway

High quality first teaching is the starting point for all children. Differentiated lessons and support is provided for pupils based on their learning styles and needs. Where this approach has not enabled a child to make their expected progress, the following pathway is then actioned

Support in place for child		Who is involved?

Concern for a child's academic, communication and interaction or social and emotional mental health.		
These concerns should be concerns in which we are able to support children through target setting and personalised intervention work. The concerns for a child's safety and wellbeing should continue to be addressed through the school's safeguarding procedures.		
Cause for concern is raised		
Cause for concern initial discussion: <ul style="list-style-type: none"> • Discussion around concern and how the child presents at home • Parent view • Discussion of a maximum of 3 targets that would support the child and actions for both in school and at home • Pupil invited for the last part of the meeting to discuss the concern and the support to be provided (this will be adapted according to pupil age and needs) • SEND support plan put in place • Review date set 		Parent / Carer Class teacher SENDCo Pupil
